IMPORTANT NOTICE

Raytheon Aircraft Approval Conversion to Hawker Beechcraft

To Mr. C. Farr Quality Manager
WEBSTER & HORSFALL LTD.
HAY MILLS

Birmingham
West Midlands
B25 8DW
England

Dear Sir / Madam,

As you are no doubt aware, Raytheon Aircraft Company has now been acquired by a new Owner and our name has changed to Hawker Beechcraft Corporation. As a consequence, we have been currently working through the old Raytheon Aircraft Certificates of Approval and replacing these with the new Hawker Beechcraft types. Until this exercise has been completed both types of certificate are acceptable.

We are now pleased to convert your approval from existing Raytheon Aircraft approval to Hawker Beechcraft Corporation. Please see appended your new Hawker Beechcraft Certificate of Approval. These documents directly replace your existing Raytheon Aircraft documents. The Terms and Conditions of your approval remain the same as does our requirements document - now prefixed by HB in lieu of RA to read HBIFSAS/QA/SC1.

Would you please acknowledge receipt of this new Certificate confirming acceptance of the Terms and Conditions of the Approval described.

You are requested to quote your new Approval prefix "HBIFSAS" in lieu of "RAIFSAS" on all future release documentation raised in fulfilment of orders destined for Hawker Beechcraft or one of its approved suppliers. Our Purchase Orders are being progressively changed to call up the new requirement.

I would appreciate you returning your old RAC Certificate to me, at your earliest convenience.

Thanking you for your continued cooperation.

Quality Manager 11 February 2010
